

Meeting Notes

Matt Janney
11/9/2016

Project Title: Dr. Dre Website

Home page as large photo

Fade away to navigation bar like on the sam smith page you showed me
Merchandising/Beats by dre section...relates his old more music driven self
to current entrepreneurial self

Try to steer clear of his bad past—

Color scheme completely up to you, but should feel related to him
somehow

Text me at 219.210.8459 if you have any questions
